“ Our condolences to all the family of the passing of Aunt Maxine Weaver. I had fond memories as a young boy spending time with her, Uncle Paul and Paula when we would all have family gatherings at around the time of Grandma Weavers birthday celebration. Paula and I would play store at their house at times and it would always be extra special when some baby piglets would be born and cats around the barn to play with. You could always be sure there was some Pepsi to drink as that was Uncle Paul's favorite. Another good time is when a bunch of us rode in the back of their pickup truck and went to the reservoir to go swimming. Great times and memory's I will always cherish for sure. Hugs and prayers to you all.

“ I must have been about 12 or 13 and had been helping Maxine's husband, Paul, plowing a field behind what is Bud's, now. I got the tractor stuck and Paul came to pull me out with his tractor. It got stuck and my dad had to come and pull us both out. The men were not happy about this and were kind of taking it out on me. I was practically in tears. Maxine walked out of the house and gave them both this look that I will never forget and told me “ don't feel bad, he's (Paul) had more than that stuck down there”. Perked me right up.

*Aunt Maxine was a warm and kind person and she will be missed.  
Uncle Paul and Aunt Maxine were so kind and helpful when my Dad  
passed away. My sister, Gaylene, and I were very young and they did  
so much for us in our time of need. Our sincere sympathy to her family.
