“ You were the best gramps a kid could have. When you came for a visit before you got to sit down you watched me ride my horse and Tim ride his motorcycle and smiled from ear to ear and cheered us on. As I grew older you were quick to hand me the keys to your shiny new Cadillac and tell me to get out of here nobody wants to hang out with old people. Your wisdom and advise has stayed with me all my life. Life will never be the same without you, thanks for always making sure I knew you were proud of me. See you on the other side, I love you.
