“ Rita, Ray and Family:
I was so saddened to learn of your Father's death. I always remember it was such a special treat to visit at your home and play on the farm. I took it for granted at the time, but I have many beautiful memories of my time spent there with you all. I do fondly remember quite vividly your Dad and his cigars.

I hope your can find some comfort in his life well lived and that fond memories will sustain you in the days to come. My best wishes to you all. Cathy S. (Raker) Miller

“ Merrit was a great guy. Always saw him at auctions & around the neighborhood. Maybe checking out the crops or just driving around his beloved Monument City area. Memories go way back with our families. From Merrit always having gum in his pocket for my kids at church when they were little, to visits with my folks, either here in Indiana or visits in Florida. I was sorry I did not know of his passing until after the funeral. Please know the family will continue to be in our prayers. Sincerely, Glenn Fisher & Kathryn Fisher Trisler & family.
