“ Your at peace now brother. Jr. high and high school were the best times spent together as best friends. Five years ago I was lucky enough to reconnect with Mike and we spent almost everyday either talking or texting back and forth. He became my brother all over again and I thank God for the time we got to spend together even though we were 2,000 miles apart. Our prayers and Love to his family during this time. Will always Love you Buddy! Mike Dolby

RIP my old friend, sorry we did not keep in touch but some of my best childhood memories were with you. I remember going to your grandparents house an eating duck for the first time. We had so much fun at Viking football games and dances. The 70's were the Best!!! God Speed!!!

“ *I met Micheal when we were in high school. Mike was a gentle, kind and a fun guy. We dated for awhile in high school, then parted as good friends. He made people laugh and always had a smile (smirk) on his face. I have lots of great memories of my dear friend Michael. God bless Michael, and may you rest in peace in heaven.*
