“ I just heard the news about Mike. I had just seen him at a football game. I am so sorry to hear about his passing. He was always so nice to work with. Very respectful, kind, and just an all around great guy. Mike always had a huge smile on his face. My deepest sympathy to his family. I regret I did not know sooner so I could pay my respects in person.

“ Mike was always there for extended family, always ready to help in any way he could. My daughter, Brenda told me that she thought of Mike as the glue that bound the Scott cousins together. He was well loved and will be sorely missed.
