“ Michael, joking, and laughing belong in the same sentence. He always wanted his hat on when in the hallway, so that Mr Hollar would see him and pretend to yell at him. We all should take ourselves less seriously. He always wanted me to talk about what he was wearing. Loved having him as a student!♥♥ He is cherished and will be missed. Love to you Peggy from Jan Ballard.

“ I worked at Michael's pediatrician's office and only got to know him for a year, but I loved when he would come for a visit! I loved hearing him laugh and his fun, colorful socks! His laugh would brighten up my day! My favorite memory of Michael is when he brought the office staff Christmas socks! I love the pair he gave me and will always think of him when I wear them! I'm so sorry for your loss! Sending prayers.

“ So sorry to hear about my little buddy passing away. Michael brought me a lot of happiness, always showing me his socks, raising his arm up to say hi, and that silly laugh he had. You will walk and run in heaven and be free! Tell Jacob hi

“ I will truly miss Michael and have enjoyed transporting him all these years. Loved his smile. He would always try his hardest to make it over to see me when I walked into the room. He loved music very much especially Michael Jackson. He would go crazy in his seat and yell out to the enjoyment of his music, and other up beat songs. Everyone I transported would say go Michael and sing right along. Everyone will truly miss him. I will miss him dearly. It's been a pleasure knowing him and his mom. My prayers are with the family at this time. Love You Michael.
