“ *Millie was a very special person. She gave so much love and laughter to my mom (one of her best friends) and I. We would have so much fun going to lunches and having long phone conversations. After my mom passed, Millie and I continued to talk and she would share stories of her and my mom as kids. I will miss her greatly. My deepest sympathy goes out to her family. You are all in my prayers. RIP Millie, I know you are lunching with mom.* ”

“ *Mike, Kittie and Marta...I am so sorry to read of your mother's passing. I know that my mom thought the world of Millie and Sue and I can remember being quite young and mom would fix baskets of meats and vegetables to give to help your mom and Sue out when you kids were really young, like myself. She was a special lady and my deepest condolences go out to you all.*
