“ I met Monty while staying at the Fairmont Bab Al Bahr hotel in Abu Dhabi. We were both waiting for our ADEC teaching assignments. Monty was placed at a school in the city of Abu Dhabi while I was placed at a remote location on an island in the Arabian gulf! We maintained our friendship, and I would visit him often during my trips into the city. Although I returned to the states long before Monty did, we stayed in touch. I always looked forward to my conversations with him and thought we would meet again in the future--perhaps in UAE once again. He loved it there. I'm so sorry to hear of his passing. I had no idea but wondered why I had not heard back from him. It was unlike him.

Oh my gosh! I had no idea he was ill or had passed. I met Monty many moons ago when we were neighbors in an apartment complex in Kalamazoo. We had SO many great and crazy times together during those years and had kept in touch until the last year or so. What happened to him? Can someone contact me and let me know, please? I am so, so sorry to hear this news, and am shocked. My email is jcaudell518@gmail.com. Someone please contact me. Rest In Peace, Monty. 💔

I share the same sentiment as Jan above! What happened to Monty. Monty and I met when we both taught in Buchanan, MI. We remained friends for many years and I was surprised when he didn't respond to any of my latest inquiries. I just figured he was still teaching in China and had some kind of restricted internet access. What a sad loss. Monty was a kind human being.

Monty and I were colleagues in Abu Dhabi where I got to know him. He was such a level-headed and experienced man and I looked up to his thoughts and takes about education. We were staying in the intermittent touch via Facebook until it suddenly dropped off and I simply thought it was old ties growing apart. I am sad to hear of his passing.

“ I am so sad to hear of Monty passing! I just talked with him on-line near his birthday in December. He was always very reserved about his health, and we always talked sports. I was a classmate of his in Union City, MI. and we reconnected when he came back in the Summers and lived in Coldwater, MI. I am extremely saddened to hear he has passed on. I know he had a good life and impacted many young lives with his years in education. Rest in peace old friend, rest now.
