“ *You were a gift to those who had the privilege of knowing you. You had a mix of compassion and snark that made you a beautiful person. Your love for animals was something that made my heart smile. Just as your compassion for those around you. You'll be missed sweet girl..... Much love goes with you.*

“ *I have known Nadia most of her life and watched her grow.. she loved her art for sure. I have a feature painting of hers hanging in my home that she painted for me as a house warming gift. She made sure it was the right colors to suit our decor. She was so compassionate and I remember all the animals she tried to bring home! Love you Nadia, fly high Babe.*
