October 24, 1950 - November 1, 2024

Nancy M. Getman, 74, of Huntington, passed away at 11:03 am Friday, November 1, 2024, at Parkview Huntington Hospital.

Nancy was born on October 24, 1950, in Huntington, IN, the daughter of Gene and Ruby (Johnson) Roth. She graduated from Huntington County Community Schools with the class of 1968. Nancy married the love of her life, Terry Getman, on August 23, 1970, in Huntington, IN; he preceded her in death on November 16, 2021, after 51 years of marriage. She retired from RediMed of Huntington after 16 years of service. Prior to that, she worked as a hairdresser for 15 years and worked as the Huntington North High School Library Clerk for 8 years. After retirement, she volunteered at Parkview. Her favorite job of all was being a grandma. Her favorite sports teams were whichever team her grandchildren were playing for, she was their biggest fan.

Nancy was always doing stuff for others. Whether it was taking treats to the ladies at the bank or to her family members, she was always the first to offer help or gifts to others. She would never ask for anything for herself, she just loved to make others smile. Nancy had a great sense of humor and was always laughing and giggling.

*Nancy and I were cousin. My dad and her mother. Her and I were 1 week apart in age. I just now found out. I am so very sad, that I wasn't aware. My sympathy to all her family. We were friends too, always going to the Bare reunion, and we both lost our husbands close in time. Her and used to just stand and talk when she volunteered at the hospital. I'm just so very saddened by the news of her passing. Carolyn Eltzroth*

*Nancy and I were cousins. Her mother and my father. Nancy and i were just a week apart in age. I just now found out about her passing reading it on my phone. I am so very sad, that I wasn't aware. My sympathy to all her family. We were friends also, graduated together, and spent many many years of our lives at the Bare reunion, and we both lost our husbands close in time. Her and I used to stand and talk when she volunteered at the hospital, and I had an appointment. I'm just so very saddened by the news of her passing. Carolyn (Ellet) Eltzroth*

“ Nancy was always so helpful and kind when helping my students in the library. No task was too difficult and she always amazed the students with her research skills! Her smile was like a beacon of light. I will certainly miss her sunny disposition.

“ Nancy was always kind to me, whether I was spending the night with Gena when we were younger, or at the Dr's office, or just recently when I saw her at the farmers market. She always had a smile on her face. I'm so sorry for the family's loss.
