

Nancy L. Truex

May 6, 1973 - March 6, 2026

Nancy Lee Truex, 52, of Huntington, passed away at 10:12 am Friday, March 6, 2026, at Envive Healthcare of Huntington after a courageous battle with Multiple Sclerosis.

Nancy was born on May 6, 1973, in Peru, IN, the daughter of Stephen Sutton and Wanda (Brown) Sutton. She graduated from Maconaquah High School with the class of 1991. Nancy found her true love Devery L Truex while in high school. They joined in marriage on November 20, 1991, in Frankfort, IN. Nancy and Devery were blessed with three children, Kayla, Brandon, and Ashley, who became the center of her world. As a proud military family, they experienced life in several different states, embracing new communities and opportunities along the way. Eventually, they returned to Indiana, where they settled in Huntington and became devoted members of Faith Community Church.

Nancy's diagnosis of MS came as a surprise in her early 20's. Navigating the obstacles that comes with MS, she kept living life the way God intended her to without allowing it to define her. Her unwavering spirit and positive outlook inspired those around her, as she faced each challenge with remarkable grace and resilience.

Nancy really enjoyed sports; she was an avid Chicago Cubs fan and Indiana

Pacers fan, especially Reggie Miller. Cheering for her favorite teams brought her joy and a sense of camaraderie with friends and family. Watching house renovation shows motivated her to take trips to Hobby Lobby, where she often found new projects and creative inspiration for her home. Nancy liked to listen to all kinds of genres of music, filling her days with everything from classic rock to contemporary worship songs. But most importantly, family and faith were her passions. She taught Sunday School and volunteered her time in the toddler room, nurturing young hearts and sharing her love of God with the next generation. Her kindness and devotion left a lasting impact on everyone she met.

“ Nancy and her family were treasured friends of our family. I will always remember the last week of my mother's life how she brought the kids up and were there when my Mother took her last breath. Mom babysat the kids and Mom loved all of the family.
