Jim Carter, I love you Mom! - November 11, 2011 at 01:39 PM

I had the pleasure and the privilege of knowing Mom for only 12 short years. From the first day she made me feel welcome, and comfortable. Very soon after, she made feel as though I belonged to her. She is the Mother of my wife and best friend. I will love her and miss her from now on. I have the rocking chair that she "willed" to me soon after we met. I consider it as a personal gift from her, and will think of her every time I use it. "you are forever in my heart Mom!"
