“ *Your always called yourself my "big brother". You were that and so much more. I will miss the trips down to visit you just to have a cup of coffee. I loved baking you your cakes. Memories are flooding my head of all the things we have done together, the times we spent just sitting in the chairs with our coffee and talking. You knew when things were bothering me and would say " come on down have some coffee with me". I take comfort knowing you were a part of my life and you are reunited with Diane and mom and dad. Play that guitar and sing loud. Your "little sister", Pam*

“ *Jill, I enjoyed the time I spent with your Dad. He was quite a fighter. You are the best daughter anyone could have. I marveled at the great care you gave to him . My prayers are with you as you enter a new phase of life. Learning how to navigate thru this life without Him. May God's rich blessings be upon you.*
