“ I was very sad to hear of Mr. Minner's death. Mr. Minner was a patient of mine for decades when he and his beloved Dolly lived in Harrington. I always enjoyed his stories about working at Longwood Gardens, and very much appreciated his expert advise on how to improve our sometimes-struggling garden. He was generous in sharing passes to Longwood with my wife and me, and always wanted to hear about what we enjoyed most. He was gentle, kind, and devoted to Dolly. I am sure that he will be missed greatly by many friends and family, and I offer my sincere condolences for his loss.
