“ *My uncle Neil was one of the most thoughtful and honest men I have ever met, if not the most. He was a good man and a great father, great uncle for that matter. He was one of the strongest people in my life and he taught me so much about doing what's right and taking care of those that I love. He was a one of a kind guy and I miss him, I will always miss him. It's not forever though, I'll catch up wth you one of these days Uncle Neil. I love you, man. Rest easy.*
