My Dearest Darling Sister
How can I find the words to say
To tell how I miss you on this day.

I miss our little chats-
The way you'd listen to me moan
And how you always cheered me up
Whenever you would phone.

Living life without you is so very hard to bear
And I'd give all I have to waken and see you standing there.....

I love you with all my Heart,
Your little Sister

“ *My heart is breaking for Tony and all the family. Nellie had become a dear friend to me who I always looked for when I arrived at an auction sale. She was a classy lady who went out of her way to befriend others. I will miss her so much at auctions.*

“ *I am so saddened to learn of Nellie's passing. I enjoyed so much seeing and chatting with her and Tony at auctions. May the sorrow her family feels be lightened by memories of the delight Nellie spread wherever she went. She was one of a kind and will be sorely missed.*
