“ *I have so many wonderful memories of Rose, who was my mother's cousin, and Nelson. They and my parents shared a long, beautiful friendship from the time of their young adulthood until their old age. The families often got together at Christmas time, and it was always fun to visit with them and with our sweet, pretty cousins, Connie, Peg and Nancy. Nelson was truly a part of the greatest generation. God bless you all.*

“ Dear Yentes girls,
What a great dad you had. He was my first boss at B and K and taught me so many things as I worked there. He has lived a good life. I hold a special place in my heart for him and your mother. They were such good people who had values, morals and just pure kindness toward others. God bless you all as you carry on his legacy which is a mighty big one.
