Nicholas "Nick" Clay Grodrian, 67, of Andrews, passed away at his home Friday, January 3, 2025, surrounded by his family after a fearless battle with cancer.

Nick was born on April 16, 1957, in Huntington, IN, the son of Ned Grodrian and Jane (Kiefer) Anderson. He graduated from Huntington North High School with the class of 1975. Nick made a career out of being an extremely skilled handyman. He was a past SAL member of the American Legion Post 7 of Huntington and American Legion Post 248 of Lagro, IN.

He was devoted to his family and adored them more than anything in the world. Nick enjoyed riding his Harley motorcycle, mushroom hunting, and helping anyone in need. He loved to go golfing with his grandson and take his special four-legged companion Stella for truck rides. Nick spent the last decade loving his true-life partner, Jane. Although their love story started later in life, they lived each day making memories that would last forever. Nick's loyalty overflowed to an amazing circle of friends that became his extended family. Nick's legacy will live on in those who had the privilege to know him.

“ I am so sorry to hear of the passing of Nick. I grew up in Andrews, and have great memories of those days. I too babysat for all 3 boys and enjoyed that very much, both while they lived in town, then out of town in Greenwood Addition. Sounds like he was very talented, and respected by many. I love to hear those things, as I only knew him in his younger years as a child. My condolences to his family and friends. Carolyn(Ellet) Eltzroth

“ I never knew Nick that well at all but I do remember him as a baseball coach in Andrews on GEMCO with Russ Barton. As I remember him, he was very nice and enjoyed coaching us kids. Thank you Nick! God Bless.

“ I think of the times Uncle Ned would bring Nick and the boys to our house when we were young so the Grodrian kids could spend time together. Then we grew apart, got married, and rarely saw each other. Then we crossed paths again at Parkview when my dad, Phil, had his motorcycle accident and also at his funeral. Finally, on the cold and bluster day when we buried mom, Darlene, and things did not go exactly as they should have. Nick's children may remember when we celebrated mom's birthday at the nursing home and we met each other's families.

“ I grew up with nick and his brothers in Andrews. My sister babysat for the three boys. Rod was a groomsman in our wedding. The thing I remembered most about Nick was he was funny. Quick witted and if you didn't listen you very easily could miss his humor. You are a great example of what I call an Android. See you on the other side.

“ Nick was my cousin on my Dads side. He was fun to grow up with. My uncle Ned had 3 Boys, my mom had 3 girls. Surprisingly as it turned out we were all about the same age as our counterpart. One of my memories was when we celebrated Nicks birthday. Mom made him a cake and put big red lips on it! lol he was so embarrassed! He was as red faced as the lips. A good time. My deepest sympathy to the family and friends.
