“ Nick and his family lived right next door for many years when the neighborhood kids all hung out. Played tag, colored their hair with Koolaid packets, so much of my girls young childhood memories involved this blonde boy with the biggest smile and heart. He will be so missed by so many. I believe the angels will have a special place for this beautiful soul.

“ My heartfelt thoughts are with the Shepperd family. Memories of our lively football games in the church backyard remain vivid, symbolizing the joy and camaraderie we shared. May these moments inspire us to continue celebrating life. May you rest in peace, dear brother.
