

Nikki J. Newsome

June 17, 1972 - October 28, 2024

Nikki J. Newsome, 52, of Warren, passed away peacefully at 3:43 pm Monday, October 28, 2024, at her home surrounded by her family.

Nikki was born on June 17, 1972, in Huntington, IN, the daughter of Charles and Cathy (Riggle) Gard. She graduated from Huntington North High School with the class of 1990 and continued her education at IVY Tech of Fort Wayne. Nikki spent her life caring for others as a devoted home health care tech. She retired this year from Parkview Home Health & Hospice after 32 years of loyal service. Nikki was a lifetime member of the VFW Auxiliary Post #2689 of Huntington.

Nikki was truly one of a kind, she could light up a room with her smile. She had a servant's heart and used her natural gifts to take care of others with dignity & compassion. Nikki never felt her job was an obligation, she was honored to help others during some of their hardest days. In her 32 years she spent countless hours showing love to her patients and their families. She will be missed by so many that she dedicated her life to.

Outside of work, Nikki loved the outdoors, camping, kayaking, watching nature and naming the wildlife. She always looked forward to taking trips out to Vegas and visiting her "happy place", the beaches in Florida. Nikki liked to listen to music and hang out with friends. She was fortunate to find true love

and a man to share her life with. Damian was her soulmate and her solid rock. Being a Mamaw to her grandchildren might have been the biggest blessing in her life. She enjoyed chasing them around and spending time making memories. Nikki felt privileged to have a sister, that became her best friend, her strong and steady. More than anything she loved her son Skyler. They shared a special mother/son relationship, and she was extremely proud of him.

Survivors include her loving son, Skyler (Anne Marie) Newsome of Huntington, IN; parents, Charles and Cathy Gard of Huntington, IN; sister, Michelle (Eric) Stallsmith of Huntington, IN; soulmate, Damian Thornsby of Warren, IN; grandchildren, Hadley Newsome, Teagan Newsome, Madolyn Smith, Easton Smith, Penelope Drummond; nieces Calia (Isiah) Kitzmiller, Natalie Stallsmith; nephews, Trent Kline, Aiden Stallsmith; and her four-legged companion Teddy.

On behalf of Nikki's family – A very heartfelt THANK YOU to Cathy Pearson (Nikki's Aunt) for all the love and support she expressed towards Nikki during her courageous battle with cancer.

My heart goes out to you Charlie, Cathy and Michelle. I'll always remember Nikki as the first person we met when we moved in next door on W. Sunnydale! We spent many days chatting and just 'hanging out' over the next 6 years as she grew from a little girl into a young woman. I was also told she was one of the gals who helped with my Mom last year as she went through her battle with cancer. Prayers being lifted up for all of you for the loss of your sweet Nikki.

“ *Nikki was a very kind hearted girl...she took care of our mom during her time working for hospice and even came to the house the day my mom passed and helped clean her up while we waited for the funeral home gentleman to come pick her up...Nikki became a big part of our family and always knew to help herself to the chips and dip when she arrived... all of us truly cared for Nikki and loved her like she was our family.... she will definitely be missed and loved by all of us ...and now she will get to be in heaven with my mom again and eating those chips and dip, cutting up so many jokes... we love and miss you Nikki....*

“ *Oh this makes me so sad. Nikki was such a force to be reckoned with. Opinionated, loved by her patients, so feisty, so fun. I remember going to a 500# patient's home with her because she knew it would take us both. We ended up calling the fire department to give us a hand...she helped me through that whole process! I also remember riding with her in her big truck. Was it a hummer?? She kind of drove like a crazy woman, haha!! As a therapist, Nikki really taught me a lot about home care.*

“ Nikki was such a gift here on earth. She had a huge heart & she was a true testament of a caring, compassionate person. Nikki helped my mom the last year of her life. Mom & I always loved to see her come in with her beautiful smile & the love she showed mom was something I will always hold dear in my heart. All her family have my deepest sympathy. God definitely gained an angel when he called Nikki home.

“ Nikki was a very special soul ❤️. She became part of our family pretty much from the beginning of our Gram's, Floyann, hospice journey. Grams didn't like just anyone but she absolutely loved Nikki to pieces and finally met her match in spunk and wit 😂. Nikki remained a part of our family even beyond her passing and I'm so grateful just to have had the bright light in our life that was wholly Nikki. So sad to see such a joyous person go but I know she was welcomed home with open arms by my Grams and I'm sure so many others. Rest in peace Nikki we love you so very much always and forever ❤️.

Nikki also took care of my father Charles Ehlers in the hospital when he was dying! So loving, so caring, so gentle with him and talking to him while he just laid there! She was such an Angel to him! We were so grateful!! (and when I discovered you and she were sisters Michelle that made it more special!)
