“ I was so sad to hear of Nolan's passing. I was just thinking of you two the other day. How you would come into the Credit Union I worked at. And we saw each other at an anniversary party in Wren, Ohio. And how you both knew my Dad, Joe Trimm. You had so many wonderful years together, and lots of memories in those years to think back on now. May God give you His peace and fill you with His love at this hard time. Annie Irwin
