“ *I'm going to miss you a lot Gramma Patsy. I honestly think one of my biggest regrets in life is that I didn't come to see you and Grandpa more often when I had the opportunity. You never realize how much you miss someone until you want to see them, and realize you can't anymore.*

“ Jim, Words can't tell you how sorry I am at Patsy's passing. I grew to love you both in the years I came out to your neighborhood. I guess the only good thing is knowing she won't be in pain anymore. She is at peace. Take care and I will be getting in touch with you soon.

“ I guess I don't know what to say here except that I love her very much. I will always miss her and think of mama every day. I will never forget our casino trips and escapades with the fart machine! When I started at Utech, she was the first one to take me under her wing and be my friend. I hope that she knows I will never stop thinking of her as my adopted mom and best friend. I'll love you always!

“ *Pat was such fun I remember when we replaced the roof on my house that we all slid on the wood and of course she found the only nail not all the way in and ripped her pants.* ”
