“ Pat was
A wonderful person loved by everyone who knew her. My children would love to stay with her because she made their time there full of doing things they would love to do. There is a void in the world with her out of it. You were a special person pat and I love you.

“ Your family has our sympathy and prayers. I was working in the Huntington area one time and cut a finger. I showed up at her door with electrical tape bandage. She said Dave. What did you? Get in here. Let me clean that up. She was a very caring lady. Always looking for the positive things in life. Hugs and prayers. David and Lois

“ Pat was "Grandma Pat" to all of us. She had such a big heart and will be missed by many! When I was born my parents lived next door to her and she was a huge part in helping my mother with her first born. Pat was my babysitter all through grade school and my son's babysitter from the time he was 2 weeks old. I'm glad you are with the angels now Grandma Pat and no longer in pain. I'm sure my mom was up there waiting to greet you. Prayers to your family.
