*I remember that photo on the right--& all of the days @ 433 Lindley St. & Green Hill Ct. w/ him. He was my brother in every aspect of the word--& a childhood companion of such measure that no other can lay claim. I regret the days that came which parted us on this path, by both circumstance & choice alike.*

*Paul was a caring person, and was a hard working man. He would get up early morning hours and pick up aluminum cans ,so you can say he help clean up his community. He always never new a stranger and Kidd and pick on his family. He will truly be missed!! I love you uncle Paul Caley.*
