“ You could not meet Paul or his family and not fall in love with them. He was always there for anyone that needed help. I will never forget when I was in 4-H and only had a yearling to show. He brought a quarter mare (Debbie) that his son Nelson owned, and let me ride her at the meeting and even show her that year at the 4-H fair. He will be missed. Thoughts and prayers are with his family and friends.
