“ Mike and Paula were great friends when we were young adults. My heart breaks for Mike. Paula was the yin to his yang. They were young and full of life, and it showed. Although we went different directions in life, I will always have fond memories of the times spent with these incredible people. -Mark Eckert

“ My mom was the strongest woman I know. She lived her life to care for others. A true mother's heart. Whether it be making dinner for us to share together or sending our favorite meals home with us, she was always thinking of us. Through every one of her personal struggles she laughed and joked. A laugh that I will forever miss. If I become half the mom my mommy was, I will know I have done something beautiful with my life to honor her.  
I love you more mom. 💔❤️
