“ *Many years ago I met Paula at the Eagles. We would sit there at the bar and talk. One day she asked me about my family. She said I think we are related. So she asked her mom and her sister Vivian and get mon said oh my gosh I can't believe this little short shit is related to us. We were distant cousins somehow....can't remember exactly how but we became very close friends for years until I moved to Wabash. I have so many fun memories of Paula. She will always hold a special place in my heart. Paula will be missed by so many people.*
