“ Dear Jan and Family, Dave and I send our love and condolences to you all in your time of loss. College days together at AU made for great memories. Though living miles apart, we've enjoyed having your friendship all this time. It's a blessing to know that the relationship we saw in its budding stage took root and blossomed for well over 50 years - for better or worse, for richer or poorer, in health and in weakness. We smile to remember our weekend in Pittsburg with our husbands when we two girls, and our great friend Sandra Clark turned 50. It was such great fun that we vowed we'd do it again. As you said, Jan, maybe you and I can pick it up in a year or so when we celebrate another landmark birthday. May God light your path, walk alongside you, and keep you close to his heart in all the days to come. With Love, Sheila and Dave Harp

“ Uncle Keith you will be missed so very much. I always knew I could go to you and Aunt Janet if I ever needed someone to talk to. I'm forever grateful for you both guiding me along the path to Jesus. I'll always be "Krissy Belle" when I think of you. Cha cha cha! So glad that you are whole again. Heaven won't be the same with you there. Earth isn't the same without you now.
