“What an honor it was to call him, "Uncle Ray." He was by far my favorite uncle and how he loved my mother (his sister). I don't recall many memories as a child, but I do remember once he paid me a quarter to peel the sunburned skin from his back - many, many, years ago!

I last was able to see him before my mother (his sister, Mary Lou Whitten), passed away, seven years ago next month. He made a point to come to Texas and see her, knowing it would be their last time. The love they had for each other and their family will be forever remembered in our home. The clock he built, still hangs on my dining room wall. Uncle Ray will always be remembered and loved!! To Aunt Kelly, we love you and pray for God's love, mercy, and care for each of you.

With all our love,
