“ *I just found out about your passing late last night. Although my heart is broken with those who loved you, I take comfort in knowing you are no longer struggling with all the battles you fought. You were such a kind soul....a good, good, friend. I will cherish the memories that no one can replace. When I'm kickin' it next to the fire pit with a brewski in hand, I'll remember you and the great talks we had. GO REST HIGH ON THAT MOUNTAIN! Love you, Jr!*
