“ Becky was a very positive woman and always had a smile on her face. Her door was always open for us when we visited for a place to sleep for the night. I remember one day her taking me around to see the sights and asked me if I wanted to go to Kentucky. I thought this woman is crazy, we don't have time to go to Kentucky! So, guess what? We crossed one bridge and we were in Kentucky! Crossed a different bridge and we was back in Ohio, Portsmouth, I believe. Rest In Peace Becky and fly with the angels. You will be missed by many.

“ *Am sorry to learn this. When I think of Becky, I remember all those mornings visiting before church started. She had a beautiful smile and a kind heart. I think of her long haired, smoosh-nosed kitties, the pictures she shared of them. She loved them so. I send my sympathy to Bob and the rest of the family, am thinking of you.*

“ *Becky and Bob were one of my closest friends when they lived in Portsmouth, Ohio. We loved going to lunch and sitting for hours just talking. I gave her several cats while she lived in Portsmouth, and we shared a love for cats. My deepest condolences to Bob and the family. I sure will miss my dear friend. Love You Becky, RIP!*
