“ I'm so sorry Edna and Rod for your loss. Her and I went through alot of bumps and bruises growing up together. I have always considered you all as really good friends and no matter what I still call house across the street "the Sprinkles house" In conversations. I still live across the street if you ever need to talk. Know that you are in my thoughts. Charlotte myers

“ My condolences to your family. Becky and I were close friends in high school and I have lots of fun memories. High school dances , making the car loop from A&W to Burger King , Warren lighthouse dances , working together at Wabash magnetics our Senior year. I remember her beautiful smile and her sense of humor. I hope you find comfort in your memories.  
Peace

“ My thoughts and prayers go out to Becky's family and friends. Becky and I were very close friends through our junior/senior years of high school. Unfortunately, we lost touch after I moved to Virginia. She was a great friend and will certainly be missed. Rest in peace, Becky!

“ Amanda and Nicole:  
I am so sorry about your mother's passing. She and I were good friends in high school and had lots of fun together. We didn't see each other often as many years passed, but whenever we did we would talk and catch up with each other. You are both in my thoughts❤️
