“ *Your stone has been set up at the cemetery. It looks nice. Sorry I haven't been on here lately, I took one of the trips we were supposed to take together. It was fun but I wish you could have came with me. Larry, Jim, and I went fishing. Every time I'm on here I wonder if I made the right decision. I miss you so much. Nikki turn your web site into a memorial. I think she is also taking care of your farms. Your mom is doing better, not much but better. If you haven't noticed, a lot of celebrities have joined you. Well that's about it. I love you, and I miss you.*

“ Becky was my second mom growing up! She helped me and my brother Isaac a lot! She took us under her wing and helped us during difficult times at home! She even stepped up and told my mom off a couple of times! Becky was the one I went to when my husband and I were having problems, and she gave such good advice!! Always!! She was such a strong woman in my eyes, despite her illness! She never let it get in her way of living her life to the fullest!! She was such an angel to us here, and she will be one of God's favorite angels in heaven!! I am gonna miss her so much! In a way, she was as much of a friend to me as Nikki has been!! May her memory live on forever in our minds and hearts!! RIP Becky/Mom!!!

She has always been my best friend and person that i could tell anything. She was such an amazing Grandma too.. I remember the first time she held my oldest, it was the sun would rise and set in her eyes. And again when my youngest was born recently. The kids meant the world to her and without a doubt.. she meant the world to them. I love you mom... I'm missing you now and forever!*

“ My fondest memories was the every boo-boo you kissed and every tear you wiped. I do not have a bad memory of you. You were my best friend. I will always love you and miss you. You are my heart. Arianna says she will see you in her dreams. We love you momma. God truly got an amazing angel when he got you. We know you will be watching over us till we all meet again. Love you.
