“ I am so sorry to learn of Dick's passing. I worked with him at Kosciusko Community Hospital for several years. He was always excellent to work with and was a friend to Nursing. He spoke often of his son and how proud he was of his accomplishments. Although I never met Nick, we shared a love for NOTRE DAME as we are both graduates. May God comfort you in your loss. “ Thinking of you Robbie and Nick in this difficult time. Praying for peace. Enjoy the good memories. I'm remembering how you all hosted our wedding reception at your home and my mom had to make all those cheesecakes. Blessings!

“ *My thoughts and prayers are with you and your family. I worked those 15 years with Dick at HMH. Ran in to him several times at Kroger. We always reminisced about the good ole hospital days when we were All one Big Happy Family. RIP*
