February 13, 1944 - June 27, 2025

Robert Eugene Atkinson, 81, of Huntington, Indiana, passed away peacefully in his sleep on June 27, 2025, at Heritage Pointe of Huntington. He was born on February 13, 1944, in Huntington, a son of the late Clarence and Anna Atkinson. He was a loving and devoted husband, father, grandfather, and great-grandfather.

He is also survived by his caring sister Carolee "Skip" (husband Denny) Kramer, and several nieces and nephews.

He was a lifelong Hoosier who spent his days working hard, loving his family, and enjoying the simple pleasures of life, especially time at the lake. Robert found his greatest joy on the water, spending most of his summers at his favorite place, Big Lake, fishing, boating, and making lasting memories with his family.

Robert dedicated his career to three companies throughout his life, including Memcor, Noll Printing, and United Technologies, where he was known for his strong work ethic and reliability.

He will be remembered for his steady presence, kind heart, and deep love for his family.

A private burial will take place July 5, 2025, at his final resting place in Lancaster Cemetery in Huntington, IN.

In lieu of flowers, the family request donations be made to Shriners Hospital for Children.

“ Bob was a resident where I work. I remember fondly our first conversation. He talked to me while I painted the room next to him. I told him about my husband's T-Bird and he talked about his '73 Nova. This inspired me to start an annual car show for our residents. Each time, Bob would be waiting out on the porch and keep me company as I set up for the show. He would watch all the cars arrive. Bob also had such a wonderful sense of humor. We shared so many laughs. I saw Bob as more than a resident. He was also a dear friend. I miss him very much. My heartfelt condolences to all of his family and friends. May you find comfort and peace in the days ahead. Sincerely, Jessica Tucker
