So sorry for your loss. Uncle Barney was one of a kind.*

Lyman had the opportunity to meet your Dad. He commented " I thought I was a good (BS...er) until I met Barney.

I have a good story. Uncle Barney was a guinea pig when I was taking testing classes years ago. He obtained an IQ score within a very superior range. Your Uncle Bob used to joking say "Barney acts like he knows nothing about nothing and gets everyone to do everything for him.
