“ Marjorie and Cindy, I am so very sorry for the loss of Bob. He was such a kind and gentle man. He was always fair when I took my cars for him to work on. He was definitely one of the good guys!

God bless you.

Esther, Thank you for your kind words. Over the years, my Dad helped many people keep their vehicles going, including mine. If it had wheels or not, he could fix it.

Sincere condolences to all the family. Bob was always a good guy to be around. He was the "go to" guy if you want your car or bike to go fast back in the early days.

Paul, Thank you for your condolences and sharing your memories of my Dad. He certainly did have a passion for speed, whether it be a boat, car, or bike. I miss motorcycle rides with my Dad.

Joanna, Thank you for your words of comfort and sympathy. When I told my Mom that you had commented on Dad's Tribute Wall, she said the same thing about being a distant cousin. I remember having the "distant cousin" conversation years ago at St. Peter's First.

“ *I spendt many summer vacations as a young teenager with Bob, Marj, Cindy, Stacey and Bobs Sister and nephew. We would pull a large camper to Florida with all 3 families. Bob was a big gentle giant, staying calm at all times and always help resolve any ruffled feathers. Thank you Bob and Marj for the lifetime memories. With Love Sherri Rudig-Goff*

We're sorry to learn of Bob's passing but know he is safe in the arms of his Lord. Knowing him since school days he was such a nice fellow who became good friends with my brother through their interest in cars. God be with his family to comfort them.
