“ Bob was a great man to work with! It was the most enjoyable job I ever had working with him at Stolz Muffler King back in 1977. He was a hard worker and I'm proud to have known him and consider him a friend back then. I pray for God's comfort and healing to Sue, Jeremy, and his daughter and the rest of his family. Hope he is resting in the presence of Jesus now and forever, awaiting reunion with all of you! God Bless you all. Jeff Reed.

“ Bob was a great man. He touched the life of so many people. He raised a great family and even hand a hand in raising a group of kids that were not his children but they looked up to him as a father figure. They are now parents themselves and a great bunch of men and women. Rest easy Bob. Your work on earth is finished. May your legacy live on in the hearts of these young men and women you mentored to. You will be missed very much.

“ I am so sorry Susan to hear about Bob passing. Sometimes life is so hard. Sometimes we wonder if we can go on, but there is always light at the end of the tunnel. God has his plan for you, so hang in there and you'll find out what it is. I'm so glad we got to meet you at the reunion a few years back Maybe we'll get to meet again in the future. Georgie Mygrant
