“ I'm so sorry to hear about Uncle Bob's passing. He loved his family very much and was always helping others with his skills in construction and home repair. Whenever anything was broken or needed repair, Uncle Bob was the guy to call and he was always there to help -- he was truly the "MacGyver" for his family, friends and neighbors. My family and my grandparents relied on him countless times over the years when anything needed fixing.

Although hearts are heavy now, I know in the days and years to come, there will be lots of stories and laughter recounting all the adventures from the Price family trips over the years. I too fondly remember all the camping trips our families took together to Barton Lake, Jelly Stone Camp Ground and Brown County. Those were some good times and some great memories with my family, Uncle Bob, Aunt Carol, and my cousins.

My heartfelt condolences to Connie, Lorey, Kelly, Bob, Marc, my Mom and Uncle Jack.

“ Lorey, Kelly, Bobby & Marc, I'm so sorry to hear Uncle Bob passed away. We thank God for his life. I will always remember him as the guy who could build anything - so many of our homes like Grandma & Grandpa's (both sets), had your Dad's handiwork in them. He fixed so many things for us over the years. His visits to the "Mouse House" in October always made me smile. Loved hearing about his adventures in travel. He certainly saw the world. Thank you for sharing this time over these past few weeks with mom. Love you all!
