“ I worked with Rocky for 2 years at United Ortho. I’m so thankful to have known Rocky even for such a short time. He was always talking about our Lord Jesus Christ, his beloved Marie, kids, grandkids and of course whatever western movie he watched the night before. He would always ask how I was doing and how my boys were doing. My boys loved Mr. Rocky and will miss him dearly. Last vacation Rocky went on, he brought back 2 stuff bears for my boys. They cherish those bears and will now even more. Last night my 3 year old asked me if Mr. Rocky was with Jesus. I was so thankful to respond with a confident YES! Rocky never gave you any doubt on who he served and who he put his hope in. Lastly, I believe Rocky secretly loved to be in “trouble” with Marie when he did his funny Rocky stuff.

“ Oh my I have so many memories of my brother I don't know where to begin from my childhood where he and Marie took care of me all that is good in me is truly from him and them to the latest years when I had Ethan Christmas times then he always got Ethan what I asked. A bible. For him to learn from and I could count on him to take my kiddo Christmas caroling cause people just don't do that like they used to when I was little. I do not have just one special memory. I have a ton. I have 2 new memories of him now yesterday I looked up at the sky and I could see his face looking down at me it was so clear and the sun rising and setting the view was beautiful and I thought how much more breath taking that view was for my brother it must be breath taking for him to see that view now and as I stood there with the winds whipping I played the song I can only imagine. I can only imagine I can only imagine how truly happy my brother is now he is with Jesus and that's the only place he wanted to be I can only imagine 💔💔💔💔💔💔💔💔💔😭

I worked with Rocky for 10 years at United Ortho. He could always put a smile on my face. I loved when he broke out into a song and started singing, His sense of humor is what I will miss the most. He was so positive to be around and he really did spread joy and put a smile on your face. We used to talk about our grandkids he loved being a husband, dad, and grandpa. He will truly be missed.
