“ To the family of Mr. Thompson, you have my sympathy. I did not know Roger personally but I knew some of your family. I went to school with Karen and I remember seeing Roger's dad(Glen) several times at the hardware store in Lancaster when I was a kid, and also my dad(Billy Joe Myers) did a lot of carpentry work for Doris's father Russell Wells when he lived in Heiney's bend, and when he moved over to the farm on St. Rd.9.

“ Saddened to hear of Roger’s passing but it is exciting that he has been promoted into the presence of the Lord! I enjoyed working for him on the farm as a young teenager and had a great respect for Roger, his family and his testimony. We’re praying for all of his family at this time.

“ What a blessing to KNOW that your father was a Christian and will be welcomed into heaven because of his trust in God. I pray that this week will include happy memories, shared experiences with family, and comfort from God as you adjust to this new reality. The anniversary of my mom's death was the day after your dad died, so I also was reflecting on loss and praising God for the influence and love my mom gave me.
