“ To Ron's family - I was so sad to hear of Ron's passing. I knew Ron from when he was a Business Agent and officer of Local 414. As a management representative, I negotiated many labor contracts with Ron on the labor side. Throughout his career it was my experience that he was always honest, always respectful, always a gentleman and always acting in the best interest of his members. I was proud to call him a friend and he will be missed.

“ Ron was a character, with a heart of gold. I will never forget him letting me drive his car and it let you know when you'd get too close to the center line. When I jumped he laughed and laughed. He could be ornery and we shared so many laughs. He is out of pain and walking with Susan and Skye up there now.
