“ Ron was a great cousin. When we did see each other we had long conversations about anything and everything. I really liked it when he talked of God. Enjoyed all his face book posts. Ron was a true follower of Christ. Great influence on me. He will be missed. Thoughts and prayers are with Brian and family.

“ Very sad to hear of the passing of Ron. I knew Ron as a classmate throughout 1956-1968 and although I haven't seen him since the day we graduated from HCHS in 1968, I want to share what a nice classmate/person he was. Even as a young man he loved working on engines. I remember once he invited me to his family's farm to see some of the small engines he was tinkering with. While there, I admired his determination and skill, and It's nice to hear, that his love for this technical occupation carried on for his entire life. God bless him, and may he rest in peace! “ Your presence at Jerry's national drag races was always a good time. You, Gerry & George were great help, who brought lots of jokes and laughter. I loved having you there. Dang, what a handsome young man!! RIP Ron. See you in Heaven after I get my wings.
