“ So sorry, Patty. I just now read your Mother's obit. on line. I was at home this last week and we no longer get the paper. If I would have known I would have visited you at the funeral home. I was looking forward to seeing your Mother again, having seen her name in my schedule at one time, but I can't remember when that was. Again, accept my sympathy. Will probably see you again at the Huntington Dental Group. Linda Griffith
