“ I was thinking of Russ, Nellie and Sharon this morning so decided to see if I could locate them online -- only to find this notice of Russell's death nearly a year ago.

Russ and Nellie are amongst the warmest, most modern and caring people my husband Jack and I have known -- just leagues ahead with their progressive attitudes about so many things.

We knew them in Sierra Leone from 1966-69 and have the fondest memories of them. We are ever appreciative for their warmth, hospitality, humour and loving kindness -- to say nothing of Nellie's fabulous cooking.

I am very glad I decided to follow through to find them this morning.

“ Russell was such a great, nice, happy man who had a wonderful wife, Nellie and a daughter, Sharon whom I didn't know. You can tell he was a people person & family man.

He was mostly with a smile on his face or laughing. His faith was strong & he knew where he'd be going after he died, with Jesus in Heaven. He will be missed by many. God's Blessings to All of You and may God comfort you through the loss in the days to come.

“ We are so thankful for how God used Russ Birdsall in our lives. After college, I worked 6 years in Macau as a single missionary. During that time I had the privilege of working with Russ and Nellie. They were so hospitable, inviting us single missionaries over for meals and games. The things that I remember most about Russ are his generous smile, his conversation that both cared and informed, his willingness to trust people, and his courage to face challenges. Nellie must be mentioned, too, as she truly served and complemented Russ. As a couple, they were a great blessing to all who knew them.

When I returned from the mission field in 2000, I was eager to find a husband. I had been out of the States for so long, that I really had no prospects or even a church home. I was able to settle into a teaching job near Marion, IN, the first year, but no developments. The following year, I settled into a new teaching job near Lafayette, IN. That year, I met my husband-to-be on eharmony, a newly developed website at that time, It was a very quick courtship. Tim and I began communicating in February, met each other in April, got engaged in July, and planned to marry in September. This was too much for the pastor at the church I was attending. I don't blame him as he didn't know me well. I did know that Russ knew me from our time working together in Macau, so I wondered if he might be willing to give us counsel and officiate our wedding. He readily agreed. It was a great honor to have him play that role in our lives! After Tim and I were married, and as our family grew, we stopped regularly to see Russ and Nellie, which was another huge encouragement to our marriage and family. Our fourth child, Joseph Russell, was named in honor of Russ, because through God's grace in using Russ in our lives, we have been so blessed.

Thank you, and may God comfort and sustain your family during this time!

“ So many memories of "Uncle" Russ and "Aunt" Nellie in both Sierra Leone and then at College Park Church! He was a gentle, caring man who made a difference in this world because of the life he lived. I am sure he was very welcomed in heaven!

No one I know had a more giving, loving heart than Russ. His spirit radiated his love and devotion to Jesus our Lord and Savior. Now that same spirit is in the presence of God.

Dear Nellie and Sharon,

I'm keeping you in my prayers and holding you both close to my heart.

Much Love ~

We have many fond memories of Russell and Nellie working together with them in Central Conference and being in their home. He drew people together in song leading and with his love of people. My favorite memory of Nellie was her working with the Pastor's wife's and she always had a smile. We are so sorry for your loss Nellie and family.

“ So sorry to hear of Russ' passing but I know he is in better hands in the presence of Jesus. I have many fond memories of him at New Hope Church when I was in Huntington. I always enjoyed his sense of humor and the fellowship we shared together. He was a very caring individual, I remember talking to him on my apartment phone one day and my phone quit working. I unplugged the phone, drove over to K-Mart and bought a new one and when I returned to my apartment, Russ was at the door making sure that I was okay.

“ As I think back about Uncle Russ, I have so many special and wonderful memories. Our paths first crossed in 1957. That was Uncle Russ and Aunt Nellie's first term in Sierra Leone. He was the Education Secretary for the UBC Mission work and had the challenging job of following up on all the primary schools, mainly in the Southern Province of the country. He had to check up on the teachers, see what their needs were, help with getting their salaries, and encourage them. One of the more physical parts of his work was just getting to the schools. Many of the village schools could only be reached on foot, and he often had to walk many miles just to get there. On one of the occasions (1957) he invited this young boy, Ron Baker, to accompany him. I had just learned to shoot a .22 rifle. Uncle Russ had his shotgun. Talk about being excited! Wow! We went to the Gerehun School which was about a 3-4 mile walk from where we left his vehicle to get to the village. On the way there and back we did eliminate a couple monkeys. From that time on and through the years Uncle Russ has always been a great friend, mentor, encourager, and godly example to me. Thank you, Uncle Russ.

“ My wife, Lynne and I were privileged to be HC students when Russ was dean. But more than that, we pastored sister UB churches in Huntington for 6 years and he and Nellie hosted us many times in their home for support and fellowship. Russ and Nellie were my two favorite volunteer youth leaders in my HS years at College Park. My call to ministry happened during those years and their love and prayers were so encouraging. Russ modeled for me the gifts of compassion and caring - true love for Christ! We were so blessed to know him here and look forward to a wonderful reunion in heaven! Blessings to Nellie, Sharon and all the family.

“ Russ and Nellie provided a "home away from home" to SO MANY Huntington College/University students over the years. I was one of those students. Their love, care, encouragement, mentoring, and hospitality impacted me deeply. I have so many fond memories of times spent with them. They helped me grow and mature in my faith and were constant examples of servant leadership.

“ Russ Birdsall was many things to me - boss, parishioner, uncle, but mostly he was a role model for me. He taught formally, but mostly through example how to be a loving, engaged Pastor.
God's blessings to you, Aunt Nellie, and to all your extended family.

“ In 1978, my husband was a freshman at Huntington College, with the Birdsall's nephew Paul. Paul and Tim ran together in cross country and track. The Birdsall's were pastoring at New Hope Church, and Paul would come to this and that, and sometimes we'd come also --- like to the Fall Party hayride. Paul was in our wedding, and he and New Hope were very dear. Now, after many years of spinning events, I've ended up at New Hope as the secretary. We were privileged to Pastor a few years in Texas, and then work in the Unit Ministry Teams of the military. All seeds planted by a dear Pastor at a dear church with a dear nephew. THANK YOU to Russell and Nellie Birdsall.

“ We have been friends with Russ since he was our Pastor at New Hope Church. He was a great example of a man of faith. He and Nellie became our extended family! Through the years they were a part of many of our family gatherings. He will be dearly missed. I have been honored to call him friend. We will always cherish his memory. He is rejoicing in heaven now and hugging a lot of family and friends!
