“ I remember her as a child, trying to keep up with her older siblings. Later when she needed a night, I would keep John for her. She was always anxious to get back home with her little boy. She taught him everything she thought he needed to know to live a comfortable life on his own. 4-H was a big part of their summers. We will miss her. Our condolences to you John. Keep in touch. “ I can remember her potty training John, and pulling toffee. We had a lot of fun together when she lived on Canfield St. I think. My thoughts are with you John.
