“ I Loved to spend time with Sandy---We were in touch almost daily, shopping, eating, sharing rides or sometimes just talking. Laughed a lot, shared secrets, etc. I have been missing her for a while now as have all of you. She loved her family---all of you! Her spirit remains with us. She helped make the world a better place! God's blessings to each of you!-----Tricia

“Sandy will certainly be missed here on earth, but we know she is dancing with Jesus and most assuredly was told, "Well done good and faithful servant!" We enjoyed many times with her at Brookside church, and it was always such fun to have her at our Women's Ministry events. Prayers for peace and comfort to Sandy's family and friends!

“I worked with Sandy at Navistar and was a member of the same Red Hats group. Sandy was such a kind soul with a great sense of humor. She had such a zeal for life and loved her family. Sincere condolences. Due to health reasons I can't be at visitation of the service. Will keep your family in prayer during this difficult time.

I worked with Sandy at Navistar and often enjoyed chatting with her when passing in the halls. I can't remember a day when she wasn't "put together", nor a time when she didn't brighten my day after talking with her - Rick Simone
