

## Sandra K. Price

December 22, 1956 - June 9, 2025

Sandra "Sandy" K. Price, 68, of Huntington, passed away Monday, June 9, 2025, at Parkview Regional Medical Center in Fort Wayne, IN.

Sandy was born on December 22, 1956, in Maysville, KY, the daughter of Stanley Trainer and Ada (Altman) Trainer. She attended Huntington North High School. Sandy worked as a quality production worker for Essex of Andrews, LH Stamping and Dekko Stamping, both of Fort Wayne.

Sandy enjoyed exploring her creative side by creating beautiful artwork and jewelry pieces. She could easily get lost in a good novel or studying her family genealogy. Also, she found happiness working in her gardens or preparing a meal for her family. Sandy's affection extended to her four-legged companions, who were a constant presence in her life. Above all, Sandy's heart was devoted to her family. She adored the role of grandmother and embraced every moment with her two grandsons, cherishing the laughter, love, and memories they shared. Her capacity for love was boundless, and her family was the cornerstone of her being.

Survivors include her siblings, Stanley "Stan" (Lisa) Trainer of Markle, IN, Steven "Steve" Trainer of Huntington, IN, Kenneth (Lisa) Trainer of Coral City, IA, Constance "Connie" Trainer of Frankfort, KY; and her two grandsons, Masen Phillips & Marc Phillips. She is preceded in death by her father,

Stanley G Trainer, Jr., mother, Ada J Trainer, brother, Lee Alan Trainer and her two daughters, Ada Jeanette Phillips & Ann Marie Roberts,

Family is honoring Sandy's wishes by grieving privately at this time. Her final resting place will be Mt. Hope Cemetery in Huntington, IN.

“ The day after I turned 18 I started working at Essex in Andrews and Sandy was the first friend I made there. From Essex in Andrews to Essex in Huntington then Miller Stamping (Dekko Stamping) and then LH Stamping it just seemed wherever she went I went. She always gave me the inside scoop when there was a position open. She was very proud of her family and prior to her stroke was working on a family tree that sent her on several trips to Virginia. Most of the stories I have with Sandy really aren't appropriate for me to share here...I mean heck she did take me to the bar when I was 18! It was always Sandy, me and Terry Carrico and oh the trouble we got into...LOL!  
Miss and Love you girlfriend 💔
