“ *Sandy Kay-----so glad that our kids formed the friendship that they did in high school. If it hadn't been for them, we might not have found each other again. I never forgot you all those years. Tom--- you will always be a great friend to me. Know that Sandy is in heaven getting the house ready for you to join her. She's going around talking to everyone that has gone before her, and she & Mom have had a great time catching up. Keep all of your memories close to you and someday you will be together again. Hugs and prayers to you my brother.*

*As always,  
Sandy's girl!*
