“ I have so many memories with my cousin. From being little and him and his family coming over to our house to visit with his grandparents, to most recently him coming over to ride our bikes together. I cannot count how many times Mam-Ma would call me Scott Allan. He was amazing and the best family you could ever ask for!!

“ It is with great sadness that I learn of the death of my beloved nephew. He was a constant reminder of his father and brother for me and for my Dad. He was a man who cared faithfully for his family.
